

# Padura Apries 40 cct

Professional LED fixture for  
demanding lighting concepts.

# Padura Apries 40 CCT – White light for professionals.

High-output LED track fixture with 40+40 W COB, stepless CCT from 2700–5700 K and CRI  $\geq 90$  for natural illumination. The beam angle is flexibly adjustable from 10° to 55°, with flicker-free dimming via an integrated potentiometer—ideal for trade shows, studio use, and photo/video.

## Technical Specifications

Supply voltage:	220 - 240 V AC, 50/60 Hz
Power:	max. 46 W
Luminous flux:	typ. 4800 Lumen
CCT:	2700 K – 5700 K (stepless)
Color rendering:	CRI $\geq 90$
Beam angle:	10° – 55°
Rotation:	355° horizontal, 90° vertikal
IP rating:	IP23
Protection class:	I (protective earth)
Dimensions (fixture):	ca. 90 × 200 mm
Length incl. adapter:	ca. 236 mm
Weight	ca. 0,8 kg
Operating temperature:	0 – 40 °C
